- Other Misc. ............................................................................................................................ 77
This comprehensive list of citations are relevant to the Quality Improvement Center for Adoption/Guardianship Support and Preservation (QIC-AG) two target populations:

- **Target Group 1:** Children with challenging mental health, emotional or behavioral issues who are awaiting an adoptive or guardianship placement as well as children in an identified adoptive or guardianship home but the placement has not resulted in finalization for a significant period of time.

- **Target Group 2:** Children and families who have already finalized the adoption or guardianship. This group includes children who have obtained permanency through private guardianship and domestic private or international adoptions.

The document contains citations between 1990 and 2016 that are categorized by various topic areas. This list was last updated in January 2016. This document can be obtained on the QIC-AG website at: [http://qic-ag.org/litreview/](http://qic-ag.org/litreview/).
